**Sub: Application for the post of Frontend Web Developer Intern .**

Dear Sir/Madam,

I offer 3 month of experience as a front-end developer and excellent programming skills, which should make me a strong candidate for this opening. The top portion of my attached resume also highlights my career profile and three significant accomplishments that are also in alignment with your position. I'd welcome the opportunity to speak with you if you feel I'd be a strong candidate for this .

Thank you,  
Suman dulal
